

THEATRE

and shenanigans!

Illawarra Children's Services presents the one-day Theatre and Shenanigans workshop, for ages 8-12!

With the help of some talented young actor/comedians, this will be a fun school holiday experience for anyone interested in performance, acting and comedy.

The day will include theatre sports, improvisation and the opportunity to rehearse and perform a short act. There will also be a theatre technician on hand to answer questions and show us some special effects!

Parents will have the opportunity to watch a short performance at pick up time. Bring your sense of humour and your own lunch.
