Workshop Synopses

Guiding Children's Behaviour – Develop an Individual Behaviour Support Plan

Presented by: KU Early Learning Inclusion Team

Participants will learn how to look beyond a child's immediate behaviour to identify what the child needs from the adult in early childhood settings. Participants will develop the skills for making specific observations of children with challenging behaviours and interpret these observations for the purpose of developing an Individual Behaviour Support Plan (IBSP) for the child. Participants should come to the workshop with a focus child in mind so they can leave the workshop with a draft IBSP for that child.

Total Communication

Presented by: KU Early Learning Inclusion Team

Total Communication is an approach that uses a variety of methods including speaking, showing objects, photos, symbols and signing to enhance children's development. It can benefit children with additional needs and children who are developing typically. Strategies including the use of visual aids, signing and resources will be explored.

Cultural Inclusion – Aboriginal Perspectives

Presented by: KU Early Learning Inclusion Team

This workshop will give a brief overview of some of the traditions of the Aboriginal peoples of Australia focusing on the local areas of NSW. Participants will look at how Aboriginal perspectives can be included throughout the early childhood service. The workshop will explore ways to link with local communities and build on what has already been achieved. This workshop will provide opportunity for discussion and hands on activities.

Building Cultural Competence of Educators - Honouring Diverse Ways of Knowing, Seeing and Living

Presented by: Adult Migrant English Program

This workshop aims to engage educators in the reflective practice of respecting cultural diversity in early childhood education and care services. Genuine and trusting relationships with CALD families and children involves building the educator's own cultural competence. This interactive workshop is based on principle 4 of EYLF 'Respect for Diversity' and will draw upon participants own cultural awareness and the presenter's professional experiences.

For more information contact Glenda Maciejowski on (02) 4283 9939.

Booking Details

To reserve your placement in any of the workshops, please email Glenda Maciejowski, glenda.maciejowski@ics.org.au, with your service name and details by the RSVP date indicated on the calendar.

Your placement will be confirmed via email.

*Maximum of 20 participants per workshop. Light refreshments provided.
